## **Morgan City Health Care Receives National Quality Award**

(Morgan City, LA – May 31, 2018) Morgan City Health Care Center has been selected as a 2018 Bronze – Commitment to Quality Award recipient earning national honors for their dedication to quality care. The National Quality Award Program by the American Health Care Association and the National Center for Assisted Living (AHCA/NCAL) spotlights providers across the country that have demonstrated their commitment to delivering quality care for seniors and persons with disabilities.

“We are honored to be recognized for our commitment to providing quality care and services to our residents,” said Jeremy Ryman, administrator of Morgan City Health Care Center. “Through teamwork, we will continue to provide excellent care and strive for the highest outcomes. Hard work and dedication always pay off. Congratulations on a job well done to all Morgan City Health Care Center team members. Let’s go for the silver!”

AHCA/NCAL awards the 2018 *Bronze Commitment to Quality Award* to nursing facilities and assisted living facilities that have demonstrated their dedication to improving the lives of residents through quality care.

Implemented by AHCA/NCAL in 1996, the [National Quality Award Program](#) is centered on the core values and criteria of the Baldrige Performance Excellence Program, which is the foundation of the metric-based [AHCA/NCAL Quality Initiative](#). The program has three levels: Bronze, Silver, and Gold. Providers begin the quality improvement journey at the Bronze level, where they develop an organizational profile with essential performance elements such as vision and mission statements and an assessment of customers’ expectations.

“I am proud of Morgan City Health Care Center for their dedication to improving the lives of residents through delivering exceptional quality care,” said Mark Berger, executive director of the Louisiana Nursing Home Association. “The *Bronze – Commitment to Quality Award* is an incredible recognition of their unwavering focus to delivering quality care for their residents. Morgan City Health Care Center is incredibly deserving of this award and I commend the staff for their hard work and dedication.”

Award recipients will be honored during AHCA/NCAL’s 69th Annual Convention and Exposition in San Diego, California on October 7-10, 2018.
